DD/R # 460-62

14 AUG 1962

MEMORANDUM FOR: Chief, Budget Division

SUBJECT: Availability of Funds for Immediate  
Office of the DD/R

During discussions leading to the final fund allocations for FY 1963, you mentioned that you had originally intended to fund the immediate office of the DD/R from the Director's Reserve. Later it appeared that the amount required (rounded, [REDACTED]) could initially be provided by arbitrarily subtracting it from the fund allowance available to the DD/R's Office of Special Activities. This was done. At the time, you indicated that this amount was, in effect, being placed in escrow for the DD/R in the Director's Reserve, and that it could be made available later in the year from that source if the need arose. Would you indicate by signature in the space provided below that our understanding of this agreement is correct? 25X1A
